CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at pld.iapmo.org

Effective Date: January 2016

Void After: January 2017

Product: Couplings (Cast Iron)

File No. 7722

Issued To: Mg Piping Products Co.
10560 Fern Ave
Stanton, CA 90680-2648

Identification: MG coupling, patent number and size molded on coupling surface. The product shall also bear the UPC® certification mark.

Characteristics: This coupling is made of cast iron in two identical halves. A specially designed neoprene gasket is placed over the pipe or fitting ends. The coupling halves are placed around the neoprene gasket and secured by two stainless steel bolts. Each require approximately 175 inch-lbs. of torque. Manufactured in compliance with CISPI 310. To be installed with IAPMO listed pipe and fittings.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Products are in compliance with the following code(s):

Uniform Plumbing Code (UPC®)

International Plumbing Code (IPC®)

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing.
